

How to download Premium mobile code

This article will guide you to download the **Premium Mobile Code**. Now, let's start!

The **Premium Mobile Code** is ONLY available on phpFox **ULTIMATE license**. In case you are holding other license types, please upgrade to phpFox ULTIMATE license first.

Go to [Client Area](#) and log in with your Client account.

After logging in, go to **Services > My Services**, you will see the list of your phpFox licenses.
