This assumes you are already logged in as the Admin user and are [logged into the AdminCP](#) .

- Click Apps >> Installed >> Egift

Adding and Managing Categories

Once you are in the E-Gift area, you can add and manage your categories. You need to set up the categories that you want so you can add E-Gifts.

- Click Manage Categories

User Group Settings Manage Categories Manage Gifts Invoices Actions					
Name	Total Egifts	Since	Until	Use schedule	
  Birthday	3	None	None	☐	
  Friends	3	September 28, 2016	September 30, 2018	☒	
  Holidays	4	September 28, 2016	September 30, 2018	☒	
  Miscellaneous	5	April 2, 2017	April 3, 2017	☒	

Adding Categories

- Click the Action button >> select New Category

User Group Settings Manage Categories Manage Gifts Invoices Actions					
Name	Total Egifts	Since	Until	Use schedule	
  Birthday	3	None	None	☐	
  Friends	3	September 28, 2016	September 30, 2018	☒	
  Holidays	4	September 28, 2016	September 30, 2018	☒	
  Miscellaneous	5	April 2, 2017	April 3, 2017	☒	

- For Gifts that just show on the user's friends birthday, keep the Schedule Availability set at No.

Add New Category ✕

Name in English (US)

Name in other languages

Schedule Availability:

☐ NO

When disabled this category will only show up on birthdays

Submit

Cancel

- For Gifts that show all year long, set the Availability at Yes and choose your dates.
