- ■ **Setup Trial and Open support ticket.**

1. **Setup Trial**

In order for you to have the best experience on our Script, once the order has been completed, we will help you set up your trial site on our server. Our team will handle all deployment work. You can simply focus on experiencing phpFox features on both the front end and backend.

Or you can refer to this article for our instruction to install the Trial site: Installing and Upgrading the phpFox Trial

2. Open a support ticket

During the trial time, if you have any questions or need any support from our end, you can open a support ticket in our client area: https://clients.phpfox.com/ , then our team will reach out to you shortly.

- We'll review and accept the request within 1 working day. You will receive a Notification Email when it's accepted.
- Once accepted, please read the tutorial for Downloading the phpFox Trial package.

⚠ **Note**:

- phpFox has all rights reserved to deny your "Trial" request with no explanation.
- A Trial will be provided **ONLY ONE** per account.
- All Trial requests are verified and approved manually.
- The verification process might take **1-2 business days**. So please be patient.
