

Downloading the phpFox Trial package

Trial Version Downloads

- First, go to your [client area](#).
- Once there, you will need to log in with your email and password. If you don't know your password, use the forgot password tool.
- Once you are in your account, you will see two ways to get to the download, the "Services" block and the "Your Active Services/Products" block:

- If you clicked the "Services block, you will see the image below with your Trial Version license showing.

- Click the Trial Version license in order to see the download link.
