# Marketplace - Changelog

## Version 4.7.2

### Information

- **Release Date:** October 6, 2021
- **Best Compatibility:** phpFox >= 4.7.8

### Bugs fixed

- User can still create listing inside Page via URL although has no permission to browse listings
- GIF user avatar is cut in Manage Invites tab of editing listing
- Items of secret groups are showing publicly via default RSS feeds
- Group's admin/owner gets notification emails with wrong language phrases when creating a listing on Group
- Layout issue on Create listing feed

### Improvements

- Not allow invite guests that are not members in Secret/Closed Group
- Limitation on number of listings created by user group
- On the Invite form, auto-add invited emails when clicking out of box or click on 'Send Invitation' button
- Update text of the confirm popup when deleting the listing
