

# Enable buy now button to Marketplace listing

## Note

In order to enable Buy Now feature on Mobile App, you will need to configure "PayPal Client ID" and "PayPal Secret" through AdminCP >> Apps >> Installed >> Mobile Api >> Settings

This article explains how you can enable the 'Buy Now' button on the product listing where users can click on the button and proceed with the payment.

To activate this function for the marketplace, here are the steps you need to follow:

- [The item's owner must has permission to sell listing on Marketplace](#)
- [Seller's PayPal Email is a must have component in "Account Settings" section](#)
- [Enable Instant Payment](#)

## The item's owner must has permission to sell listing on Marketplace

- You can configure permissions **In Admin CP> Apps> Marketplace**, choose a group of user that you want to allow sell listing

Apps > Marketplace > User Group Settings > Registered User (ID#2)

### User Group Settings » Registered User (ID#2)

Settings **User Group Settings** Manage Categories [New Category](#)

**Groups**

Registered User ▼ *Pick a user group*

- Next, search the setting **"Can sell items on the Marketplace "** and set it to Yes

Apps > Marketplace > User Group Settings > Registered User (ID#2)

### User Group Settings » Registered User (ID#2)

Settings **User Group Settings** Manage Categories [New Category](#)

£ 0

After the user has purchased a sponsored space, should the item be published right away?  
If set to No, the admin will have to approve each new purchased sponsored item space before it is shown in the site. ☐ NO

**Can sell items on the marketplace?** ☒ YES

Can members of this user group enable/disable Activity Point payment on the marketplace? default is Disabled. ☒ YES

## Seller's PayPal Email is a must have component in "Account Settings" section

- From drop-down button next to avatar photo, click on **Privacy setting** and select **Account setting** section. Paypal email and Merchant ID are required to be filled in under **PAYMENT METHODS** block

The screenshot shows the 'Account Settings' page in an admin interface. At the top, there is a search bar and navigation links for 'Account Settings', 'Privacy Settings', and 'Profile Menu Settings'. The 'Account Settings' link is highlighted with a red box and a red arrow labeled '2'. The main form contains fields for 'Full Name' (Admin), 'Username' (admin), and 'Email Address' (linhlm@younetgroup.com). Below these are dropdowns for 'Primary Language' (English (US)), 'Time Zone' (Pacific/Pago\_Pago (GMT -11:00)), and 'Preferred Currency' (Select:). A 'Save' button is at the bottom of this section. To the right, a user profile dropdown for 'ADMIN Administrator' is open, showing options like 'Login as Page', 'Account Settings', 'Manage Friends', 'Privacy Settings' (highlighted with a red box and a red arrow labeled '1'), 'Activity Points', 'Manage Hidden', 'AdminCP', and 'Logout'. Below the account settings, a section titled 'PAYMENT METHODS' is highlighted with a red box and a red arrow labeled '3'. It contains a 'PayPal' entry with fields for 'PayPal Email' and 'Merchant ID'. A 'Chat' button is visible in the bottom right corner.

## Enable Instant Payment

- When you create a listing, don't forget to enable the **Instant Payment** to yes, or you can edit by clicking on the gear icon on a specific Listing Item > choose Edit listing> Enable Instant Payment

**Enable Instant Payment**  
If you enable this option, buyers can make a payment to one of the payment gateways you have on file with us. To manage your payment gateways go [here](#).☒

**Auto-Sold**  
If this is enabled and once a successful purchase of this item is made it will automatically close this item and mark it as "Sold".☒
